

The **Physical Intervention** module is an SIA approved course which instructs candidates in non-harm escorting techniques applied to manage difficult situations without causing injury to themselves or members of the general public. This course is a mandatory requirement for new Door Supervisors effective 2010 and for existing licenses and as a condition of renewal

Level 2 Advanced Physical Intervention Training (Non-SIA).

Our Level 2 Advanced Physical Intervention and Handcuffing training has been specifically designed for security staff to achieve a higher level of skills and knowledge in the use of disengagement and restrictive techniques not covered in the SIA Physical Intervention.

Level 3 Award for Deliverers of Physical Intervention Training in the Private Security Industry (QCF) has been developed for people wishing to teach physical intervention skills to people working in the private security industry.
